DIVISION

# COMPANY

## **ELIGROUP® IS EXCELLENCE IN MARITIME INDUSTRY FOR 70 YEARS.**

Specialized in maintenance and installation of electrical and electronic systems, it has been strongly appreciated by the maritime market also as a distributor and installer of a variety of equipment for navigation, communication and safety.

We offer our customers the highest level of service H24.

**ELIGROUP® YACHT DIVISION** was established in 2000, in response to the increasing market demand for bigger and bigger yachts, that are more and more comparable to ships in terms of size, complexity of the systems, and degree of automation.

The latest born in Eligroup, the **INTERIOR DESIGN DIVISION** has already been appreciated as one of the leading companies in the yacht furnishing sector.

# WHERE WE ARE

ELIGROUP® facilities cover an area of approximately 2000 sqm that includes offices, workshop, warehouse and electronic laboratory.

Strategic is also the geographical position of the company that is located at central area of Port of Naples .

It is one of the oldest and largest seaports of the entire Mediterranean Sea having an annual traffic capacity of around 25 million tons of cargo and 500,000 TEU's.

It is a port that lives every day an intense maritime traffic, with the departure and the arrival of large cruise ships, many ferries and a great deal of hydrofoils to the islands of the gulf of Naples (Ischia, Capri and Procida).

**Eligroup's services extend also to customer support on site.**

# WHAT WE DO

## SERVICES

Eligroup Interior Division provides the marine industry with a full service of planning, construction supervision, supply of materials, project execution relating to new building and refurbishment of cruise ships, commercial vessels and mega yachts.

**Eligroup is one of the leader companies for furnishing, fitting and refitting of ship's common areas and cabins.**

We have worked for some of the most prestigious yards and shipowners throughout the world and acquired the expertise to complete the most complex and innovative designs.

Our team has successfully fulfilled many important projects, both new buildings and refits, performing outfittings and furnishings as general contractor.

Technical skills, organisation, ability in co-ordination of complex works, planning, research of innovative solutions and high standards of quality are the response to continuous challenges.

Eligroup Interior Division is available for all ship's refitting and refurbishing needs around the world.
